Location **California**
<https://www.genclassifieds.com/x-637825-z>

Lazy Sunday is looking for a male model between 18 and 30 or can pass as those ages to take part in a social experiment. The experiment will be explained after being contacted. We can't offer any pay, but I can promise it will bring you a lot of exposure and we can add links to all of your social media accounts.

If this interests you please send some photos to us and we'll get back to you. If the ad is still up, it means we have yet to find someone.
