Rehoming two female black guinea pigs approx 5mos old "rosie" is a shy character but a good cage companion for "sweetie pie" who is truly sweet.. ?? They are really low maintenance pets and really only squeel when its feeding time.. Deluxe cage i purchased at petsupermarket comes with attachable hay bin. Feed bowl. Living hutch area and water bottle.. Cage detaches from tray for cleaning and has three convenient easy opening doors. I payed 140\$ just for the cage .. Rehoming because my daughter has mostly lost interest in them..rehoming fee \$100 ...rehoming fee includes the two girls.cage. All cage accessories and any remaining food and toys.. They have everything they need and are ready for their new home..pls email . Or text
