FOR PHOTOS OF MY MURAL OR WINDOW PAINTING WORK, CALL ME AND I WILL EMAIL YOU AS MANY IMAGES AS YOU WOULD LIKE, AND SHOW YOU THE BROAD SPECTRUM OF WORK I AM CAPABLE OF. I have a bachelor's degree in fine art, and I have also been a resident artist for over 5 years at a gallery called Red Ink Studios. I have also painted professional murals and window paintings for daycares, children's rooms and businesses. I have also done portrait work for private homes. Basically, if you want ANYTHING designed specifically for you, I can do it. Want a painting to match your living room, I can do it. Want your children to have a beautiful playroom or bedroom, I will design whatever suits your taste. Do you want your restaurant to have a mural that makes it stand out from the rest, I'll make it happen. Most of my work posted here shows my ability with art designed for children or holidays, but if you want more examples of what I can do, I will be more than happy to email you more examples. I look forward to making your dream ideas a reality. Call or email and ask for"
