

27 inch Imac (1500 USD)

Location **California**
<https://www.genclassifieds.com/x-637898-z>

Bought this iMac brand new late 2014, its in perfect shape and (sadly) hardly used. So I'm selling it. It's 27 inches, 8 GB of Memory, 3.2 Ghz Intel Core i5 processor, 1 TB hard drive. I paid \$1900 for it, selling for \$1500
