

Paiste 20 Signature Full Ride Cymbal (175 USD)

Location **California**
<https://www.genclassifieds.com/x-637899-z>

I love this cymbal and it has a gorgeous sound. It is in brand new condition.

It's sound is medium-bright, full, and rich. The Signature Series is beautiful in it's visibly crafted hand hammering and hand lathing. If you're looking for a versatile cymbal with a lot of dynamic character then I would definitely recommend this one.

If you have any questions, feel free to reach out :).

Best,
