Crybaby Records (<http://www.facebook.com/crybabyrecords> OR <http://www.crybabyrecords.com>) is looking for Wilmington (or surrounding) venues to rent out over the Fall starting as early as September 1st. We DO NOT want to put on a show where the venue takes a percentage of ticket sales or anything like that. We will pay UPFRONT in cash to the right venue, and want to rent the venue for one night at a time (6pm to 12pm). The capacity we are looking for is variable based on the particular event, but we are interested in venues with a capacity of at least 50, and we don't want to go much bigger than 500 (although we are open to hearing from larger venues). All show will be booked between mid-September and December 1st.

As a professional and fully legitimate business that specializes in live music events, we expect anyone we rent from to have all proper licenses to host live music and zoned accordingly. We will however work with basement venue owners, and help them seek licenses if they want help.

If you own a venue and want to put on consistent shows please contact us directly at or shoot me (Eric) a text [NO CALLS WITHOUT A TEXT] to and we will get back to you.
