I am currently looking for a roommate to move into my 2 bedroom Davis Square apartment for September 1st. The apartment is very large, with a great sized bedroom that can hold a large bed, dresser, desk, and more if need be. The location is perfect, with a short walk to Davis Square and all it has to offer, including direct access to the T.

The rent is \$950 a month, not including utilities. Landlord is only asking for first and last month to move in, no security! If you are interested please email me with a few details about yourself and I will get back to you as soon as I!
