I have 2 juvenile dragons to rehome. Red males and 1 has tail and toe nip but that doesn't effect him at all. They keep getting more and more color with every shed. They are all eating very well on dubia, crickets and greens. These dragons did not come from petco or petsmart. If you have any questions please feel free to email me or text me. Also if you want to pay with a credit card we can do that thru pay pal.

The fee is
2 males
