We have a beautiful Chocolate Lab female and 8 years old and still full of energy, she is a very loving and playful dog. Unfortunately we are away from her too much and she needs more attention than we can give her due to jobs and other activities we have going on. All we ask is that she goes to a good home, she loves everyone and is a great dog. please let us know if you are interested. text to Four 0 two-5 one 7 - 06 eight 5 thank
