He is around 45-50 pounds, medium sized dog. White coat with black spots color coat and bat ears. Updated on vaccinations and de-worming, receipts included. He is not aggressive. Potty trained. He is an attention seeker, high energy pup. Very good with other dogs. Not sure how he is with cats. Great with kids but wouldn't recommend keeping him around toddlers because of his high energy.

I require a home inspection. Call or text me for pictures. Kennel trained. He will come with a kennel, bowls, leash and the rest of his dog food and treats. There is a 50\$ rehoming fee which will be donated to the local rescue center I work at.
