

looking for side jobs (cb)

Location

Iowa

<https://www.genclassifieds.com/x-638079-z>

Hello I am a mechanic and have been for 22 years. Wife lost her job so I am looking to do some side jobs to help with bills. I can do anything needed to a car from brakes to engine swaps. So if you need your car worked on or looked at give me a call.

text preferred because I work till 5. I will beat any shops price and anybody else might barter for the right.
