Wedding photographer for hire. Though based in Tacoma, Washington, i DO travel outside of Washington for weddings :)

Discounts will be given to couples looking to have both engagement and wedding photos taken.

I also offer hourly rates for smaller weddings. If interested, please contact me with any further questions you may have and to "save the date" for your special day.

7+ years of photography experience.

Attached are photos taken by me. More samples of my wedding photos can be found at [facebook.com/marvolphotography](https://www.facebook.com/marvolphotography)

If you have facebook, please send your request for a quote via facebook mail as craigslist will not allow me to send emails once my AD has expired. Sending email via facebook allows me to keep track of all inquiries.

Please have a look and support a local business with a LIKE.
 Thanks for your!
