

Real Estate Photographer (Big Island)

Location **Hawaii**
<https://www.genclassifieds.com/x-638093-z>

Specializing in HDR photography(multiple images stacked to get optimum exposure range)
will shoot panorama if needed

If you have a residence to document(photograph), I will do the whole house before any payment is necessary. The pictures that you like will be sent to you for \$20/photo via electronic file transfer(email/other) or if preferred I can give them to you on a pen drive or send them to your web developer.

My portfolio work is available at islandboyimage.com under the architectual photography link on the home page.

I can be contacted through email at: [jordanmarchonma @gmail. com](mailto:jordanmarchonma@gmail.com)
Email is the best and my preferred mode of communication. I look foreward to working with you and your house!
