Hi there! My name is Aaron and I am looking for aspiring models who want to expand their portfolio for free. I am trying to increase my skills as a photographer and am wanting to practice. Any ideas you have that you want to try, I am open with. I love to be creative and am pretty open minded. I am not paying for this, as we both benefit from this. Send me a photo of yourself and some general info and availability. I am also able to travel, you don't have to come to me. I look forward to hearing from!
