I'm a production manager for a one woman show and we're looking to take our show on a national tour. We've performed this show in NYC, DC, Charlotte, LA, and Chicago over the past two years. We're looking for someone to handle booking the venues (theaters, universities, and museums), arrangement of stage props when they're not available at the venue, as well as lodging accommodations when necessary.

Experience is necessary.

Pay is 5% of each venue booked. The show books for \$2,500 - 3,500 per performance.

Timing: Interested in the first show to begin in October.

Only serious inquiries please.
