I am terrible at trimming my dog's nails and I want to pay YOU \$10 per week to come trim my dog's nails.

My dog, Furry Bill Murray, is a 3 y/o exceptionally adoring lovebug/pitbull. My old roommate used to cut his nails but she moved to Australia and can't visit weekly. I now need someone to trim his nails regularly!!!

You HAVE to know what you're doing, and be really good at doing it. He doesn't fight it or try to bite or retaliate, he simply pulls his feet back (when I try) repeatedly. But my old roommie was very ALPHA and he never did that to her.

Maybe after they get shorter (the quick has become pretty long- see photo) we can switch to every 2-3 weeks.

I live in Silver Spring- I'd love if you drove to my house, but can drive to yours for less \$. It's negotiable so let's talk! He is great with other dogs, even chihuahuas, and is current on vaccines, I have ppw for him.

EMAIL IS BEST CONTACT BECAUSE MY WORK!
