COVER LETTER:

Dear Sir or Madam,

My name is Lyndsay Mize and I am an energetic, animal (and people) person who is actively seeking employment. It has always been my dream to work with animals and what I lack in professional experience for this field, I make up for with passion and dedication. Since childhood I have always owned at least one pet and have experience in caring for all sorts of pets ranging from birds and rodents to cats/kittens and dogs/puppies. I am currently a single mother to 3 happy healthy kitties and at 27 years old, I have already been dubbed the crazy cat lady. I consider them to be my 4-legged children. I have also pet-sat for school pets and for families who's children attended the daycare where I was formally employed.

Besides me affinity for animals, I have front desk and receptionist experience. My office skills include phone management, book keeping, appointment scheduling, medical records/EMR and customer service. I am proficient with computers and am familiar with most office software.

I guarantee that if you grant me this opportunity you will have a reliable, dedicated and permanent employee who has a real passion for her job. I would even take classes to advance to new positions. If you take chance on me and allow to get my foot in the door in this field, you will not be disappointed.

Thank you for your time and consideration. I look forward to speaking with you soon.

Respectfully,
Lyndsay Mize

P.S. References regarding pet-sitting are also available upon request.
