

Landscaping Help Needed (West Maple)

Location **Iowa**
<https://www.genclassifieds.com/x-638265-z>

I am looking for an experienced landscaper to remove and replant some plants and bushes in my backyard, lay river rock in various places, and trim some trees.

I do not have a definitive deadline for completion, but would like to get this done ASAP.

If interested, please call or text Thank.
