Hi, I'm looking for females 18+, any body type, hairy or shaved, who are comfortable posing with your legs spread, so I can compile vagina pictures for a school project. This is based on another project that's already been done and made into a coffee table book.

Please be clean.

I will snap probably 10 pictures and that's it!

I will pay a modeling fee of \$75 just for travel. Safe environment, voice verification available.

I can rush and do a shoot super last minute if needed. You may bring a friend for safety if you'd like.
Thanks so!!!
