Under 20,000 miles. Twincam 88. 21" front wheel conversion. Chrome lower legs. Lowered. 18" apes. Frenched style light bezels. Panhead emblems. Samson true dual fishtails. To much to list. Very nice scooter that I have \$17,000 invested in. \$10,000 firm cash or trade for a very nice condition tournament bass boat or outboard fishing boat capable of pulling a skier. Might be interested in a nice street rod trade also.
