Therapeutic Hand & Feet Reflexology. I'm a Member of the Reflexology Association of Missouri. Reiki energy sessions also offered. Reiki Master for over 25 years. Reflexology and Reiki appointments are approximately 50-60 minutes long. Auricular therapy is also offered to help you smoking cessation or weight loss. Sessions are 10-15 minutes. Reflexology involves the application of gentle pressure to reflex points located on specific parts of the hands/feet. These points correspond to internal organs, glands and structures of the body. The feet and hands are the mirrored image of the body. The body regains health by balancing and normalizing itself. (Every individual is different and Reflexology is not intended to diagnose, treat or cure any specific condition but is a Complementary or Adjunctive Alternative to traditional medicine).

Conditions that may benefit from Reflexology:

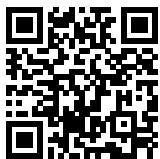

Allergies and sinus problems * Arthritis * Backache * Carpal Tunnel Syndrome * Constipation/Diarrhea * COPD * Diabetes * Headaches * High Blood Pressure * Insomnia * Menstrual Cramps * PMS * Menopause * Stress * Tendonitis * Circulatory, Urinary, Reproductive & Digestive Disorders * Helps Concentration and Emotional.
