Seeking fit, attractive females between the ages of 18 - 35 for the unique, easy, and fun job of simply talking trash on camera. At least partial nudity required, and you must be able to loosely follow our provided script(s) or be witty enough to come up with your own scathing insults.

These videos, roughly five minutes in length each, feature you speaking into a camera and degrading men with your words. The videos are for a small, Israeli-based company that caters to men who enjoy being humiliated by American women. Pay will vary depending on your skill and overall look, so please contact us for additional information. We'll provide you with a small test script and ask for a short audition video that you can film yourself in the comfort of your own home. We'll also provide you with a sample video so you have a better idea of just what we're looking for.

"You're such a loser, you're never going to find a woman because you're so pathetic!"

If you can spout off simple lines like this, then you're definitely qualified for this odd yet fun and easy job. If you have what we're looking for, you can make thousands of dollars in one short week! This is a legitimate, professional gig and we expect serious applicants only. We're located down here in Tucson, Arizona, and are more than willing to pay your travel expenses.

We look forward to hearing from you,

-Doug
