Married couple hoping to start a family through adoption

Location **Oregon** https://www.genclassifieds.com/x-648536-z

We are Rick and Rob, from New York City. We want to provide a child a safe and loving home and to do this through adoption. We met over a decade ago then got married three years ago. We feel a very strong calling to be parents and have a family together.

Rick works in women's fashion apparel. He was born and raised in the Northeast but is proud of his Peruvian heritage. Rob works in environmental biology, focusing on the effects of climate change on ecosystems in Latin America. He has strong family ties in the Midwest.

We promise to do everything in our power to provide your child with all the opportunities consistent with our values. We also plan to raise our child bilingual (English/Spanish). Most of all, we want you to know that they will always be loved, cared for, and supported.
