Trust me, you can really get gouged when getting bids for this kind of work. Our bids have come in at around HALF the price of the larger companies in town. We have never been under bid on a job that we supplied an estimate for and we stand by our work with a one year warranty. We can come in lower on our bids because of our low overhead. If you want to pay higher prices to have someone roll up in a nicer truck, you can, but we will beat their price and their quality every time! We would love to have the opportunity to earn your business and your trust and invite you to give us a call. We can be reached at any time of the day at: Or, visit us at our website: <http://www.newleafpestcontrol.com/> Thanks for taking the time to check us out!
