Do you have public speaking anxiety?
Do you want to learn skills to manage anxiety
and increase your public speaking ability?

RESEARCH STUDY:

This study offers *individual therapy for public speaking anxiety* at no-cost. Participants may also complete research study visits. In total the research + therapy lasts 3 visits (about 6 hours). This study aims to learn more about brain activity and involves EEG (electroencephalogram).

ELIGIBILITY:

You must be between the ages of 18 and 50.
 You must be right-handed.

You may be compensated up to \$40 for participating in the study.
