Located in Burlington Vermont is an experienced two man labor team (over a hundred successful moves). We're highly accustomed to providing the speediest service that caution affords; whether it's moving an apartment locally, an entire house out of state, or just a few items, we've done it all. From 10'-26' box trucks, to 53' tractor trailers; we'll securely load, unload, & transport your belongings. Heavy furniture & boxes galore is the name of the game. It's generally understood that the customer has already packed & arranged miscellaneous items to the best of their ability.
