I have a bedroom that is now available that is located in a nice country setting. You will have your own bathroom also. Must like dogs as I have two. Would prefer open minded individual. This is an all male household with two males. If interested, please text me at and we can see if you would be a fit. Located close to shopping areas. Any questions, contact me and we can get them answered. Fully furnished, all bills paid and amenities. Smoking outdoors. Could be just what you are looking for, contact me today and let's see if it is! Would prefer long term, but will consider other arrangements. Can pay weekly or monthly. Please Google Granbury if you don't know where it's located.
