 Our startup on line catalog is looking for a beautiful sexy model for an upcoming photo shoots. This shoots will be professionally done and will only require you to model either a bikini or piece of lingerie. No nude shots will be required. Again this part of our shoot is a non-nude shoot but you must still be OK with a fun but skimpy and MAYBE see through outfit.

 Looking for all types of girls. Height weight proportioned --Hot attractive sexy girls of all types needed, fun and bright personality is a plus!

 Amateur or professional -- some past experience is good but not required. Must be able to take direction well. Flat rate of $150 for an estimated 1 to 1 and 1/2 hrs of work -- this part of our shoot should go fairly quickly. If Model would like to also receive a digital copy of photos for personal use in a portfolio these can be made available upon request within a couple of weeks after the shoot. While we are a startup and on a budget-- this is a professional shoot. We need quality product/images and would like to get quality models. Photos will be published in our on line catalog so please be ok with that as well. -- (will need to sign a release- verification of age.)

 If interested please contact via email.

 Submit several (at least 6) current photos of yourself -- full body so we have an idea of your look and body type. -
