You need a Website created and quick. You don't have the time, patience or skills but need the online environment. I can build you a Website with a turn around time (depending on site size) as early as 48 hours and as late as one week. No contract needed. Price of service is dependent upon:

- How big you want the site
- How much Content you want added
- When you want it done

What you would need to provide:

- What you are looking for
- Any ideas you may have (your vision)
- Content you would like on the website (photos and wordage)
- Best way to communicate with you to ensure timely completion of your website
- Payment once website finalized, before it goes online
- Once payment received I publish website and hand over all files, and log in information.

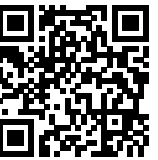

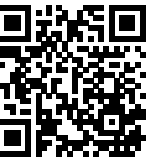

I can also provide Website Maintenance. Don't have time to update your website but want your

customers to stay tuned in? Once the website is created with your insight I can make your changes for you. I will do graphic design, wordage, and more. This is a one time contract unless you want weekly, monthly, or yearly. One month, one year, or more.
