Are you a SHOPAHOLIC? Are you concerned about your shopping and spending habits? Are you running out of room to put things? If your shopping / spending has become unmanageable and you know you can't stop on your own and you need to get things under control then you need help! Being a "Shopaholic" is just the same as being an addict to anything else (Alcohol, drugs, sex, gambling etc). Only you can't stop shopping or spending money. You shop more than you should, spend more than you should, can't control it, must have it, others are worried about your habits, you want to stop but you can't. You feel like you are going crazy. You try to stop and just can't.

I can help. Give me a call and schedule a time to talk. Together we can break this vicious cycle.

Stop the madness.
