We turned in housing documents but Casper College never received them. Now the dorms are full. My son needs a room for this semester of college. He is a great kid, studying to be a pilot. He can only afford about what a dorm room would cost per month, approximately \$340.00.

He is also a wonderful mechanic and would be willing to help work off some of the rent. I hate for him to have to sleep in his car, because Dad says not moving back in here already rented his room out. ;-).

Any help or suggestions are.
