.....

My name is Kathy DeWitt I'm a 42 year old optimistic, dependable, childcare provider. I am also the mother of two wonderful and grown children. There is 2 adults in my home my self and my husband and our cat Sassy.

I made my decision to become a provider when I had my own kids.

My warm personality , kind heart, and upbeat attitude will be a positive impact. I opened my childcare to enable low income families to work while their child receive quality, affordable child care. High quality child care should not be a privilege reserved for upper income families. Low and moderate income families should not have to choose between quality care and financial survival for families.

****newborns only****

Your child's best environment is at home with you, but when that's not possible you will find the environment here is 2nd to yours. Can't wait to meet you and your precious little one. -Kathy
