Location **Virginia**  
<https://www.genclassifieds.com/x-649488-z>

Learn some new skills along the way as you help the Native American community of Crow Creek, SD. A better home gives a family a better chance. This is your chance to volunteer on a reservation and become familiar with the Native American culture! It's also an opportunity for you to give back.  
Please call! We can use your help right now.

And, while you are in SD, take the time to visit Mount Rushmore, the Badlands, and all the other attractions.
