

STRAY FOUND DOGS BROUGHT TO THE SHELTER 81615 (West Valley amp East Valley)

FOUND

Stray dog intakes at the Maricopa County Shelters on 8/16/15

The following information is available:

- Estimated Age
- Description (color, breed, gender)
- Found location
- Shelter the animal is at
- Pictures, when available (on attached link)

Please hurry to the shelter that your animal is at. They only hold found animals for 3 days for owners. Please don't take a "wait and see" approach to finding your lost pet! That is one of the surest ways to prevent a reunion.

If you don't see your animal, please visit the 3 shelters* where stray animals are taken and see the attached links for help.

* Maricopa County Animal Care & Control, East; Maricopa County Animal Care & Control, West; Arizona Humane Society, Sunnyslope facility

Location

Arizona

See attached for pictures of stray dog intakes at the Maricopa County shelters: descriptions and found cross streets are posted below: <http://dogpoundbound.org/#/lost/az/maricopa/2015-08-16> (you can look at historical days by changing the date)

If you have a lost dog or a lost cat, please visit the 3 shelters where stray animals are taken

Other important shelter information:

~Don't assume your dog will be taken to the shelter nearest you.

~Make plans to visit the shelters every 1-2 days. The required stray hold in Arizona is only 72 hours.

~If you live near a County border or an Indian reservation, you'll want to check their shelter locations, as well.

When you visit the shelters:

~Check the lost and found bulletin boards and binders. Not everybody takes found pets to the shelter, but many people put up flyers when they don't. Your pet could be being held by a rescue or an individual

while they look for you.

At the Arizona Humane Society, Sunnyslope facility, you can access the public information system by using the key card provided. The key card is located in the lobby of the facility. At the Maricopa County Animal Care & Control, East and West, you can access the public information system by using the key card provided. The key card is located in the lobby of the facility.
