## ACTING COACH

I'm a private acting teacher who has studied with some of the greatest teaching masters of our time.. Sanford Meisner and Peggy Feury included.  
I teach people how to behave truthfully under imaginary circumstances.  
I have a small, select handful of students whom I coach on a regular basis and I am looking to help a few more.

The first class is free, in order to determine if we are a good fit.  
I do it because I love the craft and want to share the knowledge I have acquired over the years in order to help others.

Please send resume and a brief paragraph of why you desire to be an actor.  
NO EXPERIENCE NECESSARY.  
SERIOUS INQUIRIES ONLY.  
I am looking for committed, passionate people serious about their craft.
