

# need handymanbuilder to build me tiny house (bentonville)

Location **Arkansas**  
<https://www.genclassifieds.com/x-649998-z>

Hello I am trying to fins someone to build me a tiny house- similar to tumbleweed tiny homes  
The home has to be built on a trailer and we would use existing tiny house plans.

I am looking to pay someone to be able to do the job for about \$10,000 total.

If interested and you are available SOON please contact me.  
I need this done in the next couple of weeks.

I live in.
