

# A Call to Artists (Springfield MO)

Location **Arkansas**  
<https://www.genclassifieds.com/x-650003-z>

What does your art mean to you? Do you think it says something important? I am starting a Newsletter and looking for artists to publish in it and on it. There is no set structure for the art I'm looking for because art media exists on many planes. If this thought appeals to you please contact me via email or phone (409seven-3fivezero).
