I am looking to rent my 3br/2ba townhouse to another respectful , trustworthy , professional like myself. The condo is very private and quite because it is an end unit and located at the end of a dead end street overlooking the golf course. I travel out of town often on business and typically home 10 days or less out of the month. I would only consider someone that I thought was a good fit and that agreed to some house rules. I do not want someone that has a bunch of company overnight guest the rent includes all utilities and wi fi . I would consider only one person that has a verified job and income and that can pass a background check. There will be a 25.00 background /application fee. and 200 deposit .Non smoking /No Pet home. Located less than a mile from 71B and easy commute to Bentonville or.
