title

Super nice 04 Xr 400, header mod, air box mod, rejected, uni filter, valves and timing chain adjusted, new 14 tooth front sprocket, fresh oil and filter, crankcase filter mod, AMR me barer coil, AMR CDI, new hand guards, new front and rear Geomax tires, \$700 in suspension work set up to 275lbs limit, renthal RC/cr bars with Rox risers, custom seat, it's a must see and have bike! This bike is in excellent condition and needs nothing! It is ready to ride! Not trying to be rude but don't even ask me to take less! I have a lot of money invested in this bike.
