

New Fiberglass Insulation

I service the Wilmington area and all of our material is new Owens Corning fiberglass insulation, same stuff that Home Depot carries. I can sell what I have for 21-28% less than the same material at the bog box stores! I have all the R-values: R-13, R-19, R-30, R-38, etc.

Just email over the types that you need and how much sq ft you need of each type? I'll get over a price on material and delivery real quick so you can see if we're the best deal around. Thanks!
