ABOUT ME:

I graduated in 2005 from the world-renowned Los Angeles Recording School on Sunset Blvd, ranking at the top of my class. Having devoted the past decade to mastering my craft in recording & mixing, I have earned a reputation for being a trusted, qualified, skilled, successful, and punctual professional audio engineer.

I have worked in a variety of major recording studios, such as Paramount, The Village, Atlantic Studios, Can-Am, Stankonia, Blakeslee and more.

CREDITS:

Recent works have included live recording as a Pro Tools Operator for The Voice television series and the 2015 Universal Music Group Pre-Grammy Party, where I recorded performances by artists such as Sam Smith, Iggy Azalea, The Weeknd, Keith Urban, Fallout Boy, and Maroon 5.
