November 4, 2014... Please look! We met at Susitna Elementary after voting and you gave me a ride to 401 E. Northern Lights Blvd. I put my Bike and my Backpack in the back of your truck. You pulled my bike out of the truck when we got there, but I left my backpack in there. Please help me get my backpack back. The small photo book is so important to me that I will pay a reward upon it's return! You can keep the medical marijuana. Please contact me. Thank!
