

Child Care (East Anchorage)

Location

Alaska

<https://www.genclassifieds.com/x-650120-z>

I am retired Army and love watching children and helping them learn. We do lots of counting, letters, and rhymes. Very little to no TV time with plenty of outside time, providing the weather is sufficient. Scheduled nap times and snack time, with breakfast and lunch provided.

Understand that I am not a licensed day care provider and cannot accept day care assistance. Please call me to discuss prices, scheduling, or with any other questions or to set up an interview.
