I have a lightly used 16GB iPhone 5S for sale. It has a couple of small nicks like any other used phone, but the screen is flawless and it looks like a brand new phone in a case. I would include one, but I donated the case to my broke neighbor. I now have a 6, and for obvious reasons don't have a use for this one. The ESN is clean and this was MY phone, not a stolen phone or anything crazy. If you would like, we can meet at a Sprint store to have it all checked out. 275 OBO  
 Thanks for looking!
