I have a 2008 Honda TRX 450 R for sale. Bike is in good shape. It has a full Rossier exhaust, HRC cam, DWT rear bead locks, I have also had the stock steering stem extended 2 inches for a better feel for myself. I also have a stock steering stem that can go with it if needed. This is a factory kickstart bike not one that has been converted from electric start. I'm asking \$3200 or best offer and would really like to get rid of it as I don't ride anymore . Feel free to call or text for any questions. I'm not interested in any trades at this time.
