I only have two openings for any ages. I am a mother of three older kids & looking to help out working parents. I can start as early as 5:30am. If you are looking for reliable daycare where your child will be safe and have fun this is it. I am CPR and first aid certified. I can do evenings or overnights. I charge \$125.00 a week. Must want to start soon as I am not holding.
