What is your baby thinking? Want to know? Help us find out!
 The UMass Boston Baby Lab studies memory, learning, and development in infants and toddlers!

We are looking for families with infants:

- Between 3 and 24 months old for:
- One hour study
- Baby watches a short video while sitting on your lap
- You will receive \$20, free parking and a small gift

All research studies take place at the University of Massachusetts Boston. Our campus is easily accessible from I-93 and the MBTA Red Line.

To schedule an appointment, or for more information, contact the UMass Boston Baby Lab at or email .
