

attention craigslist trees and more are scamming you

Location

Indiana

<https://www.genclassifieds.com/x-650961-z>

Trees and more are running about using tree dynasty insurance and they are not covered by us they are not affiliated with us in any way they are doing jobs for customers using they're company name but tree d ynastys insurance if they work for you and something goes wrong you might think your ok because they showed you a certificate but in reality of you pay closer attention you will see it'd not trees and mores insurance it's tree dynasty please be aware and if you are not sure please give us a call the real tree dynasty

If you look closely you too will see that they are running ads for both Ron and sons and trees and more. Read the fine porting people and please watch out and make sure you know who's working for
