Great New Price!!!!!!

This former Rally's located on 16th Street on the way to The Speedway has great visibility and plenty of parking. Entrances off of 16th and also Kessler Blvd. This would be a great location for a fast food concept, restaurant, office use, check cashing, tax preparation, or any other retail space. It would be hard to beat this location on almost an acre of ground. All of it paved for parking. Building has had some fire damage but has good bones. Call Mike for a.
