Hi! My name is Karzell & I just moved to the NWI area from Texas due to the massive flooding in which I lost everything including my DW drum set,& I am in search of a band/group/or church that can use a drummer of my caliber-I play many different styles-I even won Guitar center drumoff 2013 in Omaha, Nb. even though I lost everything I am trying to stay positive & hoping someone can give me a chance @ what I do best-hopefully you have a set I can play on until I can afford me another-I do have a professional attitude-stage presence-& I love making people get into the music & dance to my beat-I am also wondering if there is anyone out there that has a drumset that's just sitting around not being used, i would love to do some paint enhancing jobs on your vehicles for that set. I hope to hear from you-you can reach me eight three 2 six zero nine ten forty & leave message I swear for buttamilk I will get right back to you ASAP thanks Be!!
